O suffering one, shaken by the storm and not comforted,
See, I will set your stones in beautiful colors.

Seasons of Grief Facilitator Training

Seasons: Moving through the Changes of Grief and Loss is a resource created by the North American Division of Health Ministries to enable local churches to offer a peer grief support group for their community. This seminar will introduce participants to Seasons and provide them with needed information to facilitate a group and receive follow-up support from other facilitators throughout the NAD.
