of Seventh-day Adventists®

Virtual Health Training

Join a transformative learning experience for everyone called to serve—church members, volunteers, health professionals, and community leaders. Discover dynamic courses and hands-on training that equip you to strengthen wholistic health ministry in your community.

Course Topics Include:

- Faith Community Nursing
- Coaching Like Jesus
- Addiction Recovery Facilitator
- Grief Support Group Facilitator
- Health Evangelism
- Suicide Awareness
- Mental Health Coaching
- Abuse Awareness
- Trauma Awareness

Certificate of Training provided by the North American Division of Seventh-day Adventists upon completion of all course requirements.
