

Empowered Nursing Ministry: Unveiling the Divine Strategy

by Teresa Nelson BSN, RN

"God is the best strategist!" remarked a friend in our recent conversation as she recounted how she had been recognizing God's leading in her life during challenging times. That conversation left me thinking about our strategic planning sessions AAFCN leadership held earlier this year.

Your AAFCN leaders came away with a similar impression. Yes, God is the best strategist! The vision God placed in our hearts and minds was something I do not think any of us fully anticipated. It was a broader, higher, and wider vision for which we could only praise God for the giving.

What is this vision? In essence, it is to invite and equip every Adventist nurse in the North American Division to embrace their calling more fully in ministry...

A New Name?

The Adventist Association of Faith Community Nursing (AAFCN) has expanded our ministry to include Adventist nurses from ALL nursing specialties. In an effort to reflect this new vision, we are looking to change the name of our Association. We welcome your suggestions for the Board of Directors to consider. The person who suggests the winning name will be given a \$150 gift card to Amazon.

AAFCN Membership Renewal & 10th Anniversary

by Cheryl Lindeman, BSN, RN

We hope that all is going well with you and that your ministry is reaching many people. It was good to see many of you in attendance at our yearly meeting in September. Some of you have been unable to renew in the last couple of years because your ministry was changed or even temporarily halted due to COVID. Churches are now gearing up resume ministries that have been put on the back burner during the last couple years. If you have not been on the web site for a while, I would encourage you to check it out. You will see that many changes have been made.

We have changed our renewal month to December. If you have not yet renewed for 2024, your membership will be active until December 31 of this year. Your renewal will keep it active from January 1 – December 31, 2024.

3 ways to renew:

- AAFCN (Must be RN and have taken the Foundation's class.)
- RN (With an active license.)
- Friend

If your membership is set to auto-renew, you might want to ensure your credit card is current; you do not have to do anything else right now.

If your membership is NOT on auto-renew, we encourage you to process your renewal through our convenient website:

Access your account at NADhealth.org/account using your username and password.

The table will identify your current membership type ("Faith Community Nurse" or "AAFCN Friend"). Click on the blue "Pay Dues" button to process your payment using a credit card.

Please process your payment prior to December 31, 2023. Please do not hesitate to contact us with any questions.

AAFCN is celebrating 10 years of ministry this year. We have experienced robust growth and look forward to continuing that growth, providing more resources and opportunities for networking in the years to come. Thank you for participating in this important ministry!
