

He set my feet upon a rock,  
steading my fotsteps and  
establishing my paths.  
Psalm 40:2

#### Course Instructors

Drs. David and Beverly Sedlacek have over six decades of combined clinical practice that use biblical principles as the source for emotional healing. They have experience in pastoral ministry, education, research, administration, and as authors and speakers. They have worked with Adventist Recovery Ministries for over ten years.

Learn to lead with compassion and  
walk with others in recovery—  
bridging brokenness to healing,  
anchored in Christ.
